

Vision Statement:

"Envisioning a Community United: The Richard A. Oman American Legion Post 302 aspires to be the heart of a vibrant and supportive community where veterans, their families, and neighbors come together in service, camaraderie, and shared commitment. Our vision is a Hutto where every veteran receives the care, benefits, and opportunities they deserve. We see a community where Post 302 serves as a beacon of support, advocating for proper healthcare, economic opportunities, and legal benefits for our military heroes. Through our dedicated assistance, veterans and their families confidently navigate benefits claims, ensuring they receive the recognition and support earned through their service.

Committed to enhancing the quality of life for our entire military family, we actively engage in initiatives such as the Duffel Bag Distribution Days, Ft. Cavazos' Santa's Workshop, and partnerships with other veterans organizations. Our goal is to foster a strong sense of patriotism, loyalty, and service to our country, exemplified through community and youth-oriented programs. The Memorial Wall for Hutto HS Graduates Killed In Action or Missing In Action stands as a testament to our enduring respect and remembrance.

Post 302 envisions a future where we continue to support quality organizations that provide services for others, including Hutto HS Air Force JROTC, Hendrickson HS Marine Corps JROTC, City of Hutto First Responders, Boy Scouts, Girl Scouts, women's and homeless shelters, senior living centers, children's homes, and the Williamson County Animal Shelter.

A cornerstone of our vision is the realization of a permanent Post facility. This facility will not only better serve our veterans and their families but will also provide a collaborative space for Hutto non-profit organizations to meet and plan events together. In this shared space, we imagine a community united in service, gratitude, and a shared commitment to making Hutto a place where everyone thrives."
